## THE TRUST 'BUG'

German Sugar People are  
Now in Alarm.

Fear Competition of Cuba—Plans of  
German Interest for Fa-  
vorable Laws.

BERLIN, Jan. 30.—During the dis-  
cussion of the sugar question in the  
lower house of the Prussian Diet today,  
Baron Erffa, referring to the opinion  
of the Secretary of the Imperial Treas-  
ury, Baron von Thielmann, that there  
is no danger to the German sugar in-  
dustry from America in the near future,  
said the manufacturers of Saxony took  
quite a different view from those who  
pooh-hooed the danger and underrated  
the colossal financial resources and  
enterprises of "the American Sugar  
trust," which in California was mak-  
ing great progress in sugar production.  
The only thing to help German manu-  
facturers, in the opinion of the speaker,  
was to lighten the excise duty on  
sugar and thus promote home con-  
sumption.

The Minister of Agriculture in reply,  
said he fully agreed with the state-  
ment that serious danger existed from  
America. Moreover, he remarked, the  
export of sugar from Cuba would great-  
ly increase during the next few years,  
now that energetic and intelligent  
American capitalists had taken the  
matter in hand. The danger arising  
from the production of beet sugar in  
America, he further said, was continually  
increasing, and it was true that  
the export of German sugar to Amer-  
ica was 2,400,000 double hundredweight  
below the exports of Great Britain.  
Nevertheless it constituted a consider-  
able portion of the production and the  
only remedy was an increase of the  
home consumption. It had already  
been found that the use of sugar in the  
army increased the marching capabili-  
ties of the soldiers. It was also excel-  
lent in fattening pigs.

### OPHEUM THEATER.

Double BILL Tonight and Good  
Specialties.

Tonight Mr. Julie Walters and his  
talented company will present a grand  
double bill. The curtain raiser, "A  
Jealous Husband," arranged and pro-  
duced by Mr. Frank Hartwell, is a very  
clever comedy sketch, interpreted by  
Misses Hartwell and Jefferson and  
Messrs. Hanna and Hartwell. Then  
several refined high class specialties  
will be introduced, the performance  
terminating with the sensational com-  
edy drama, "A Delicate Question." Mr.  
Walters will be seen to great advan-  
tage as the German scout, who plays  
quite an important part.

The play occurs in the Rocky Mountains  
and depicts the struggles and final  
triumph of a poor but honest family  
who are beset by a personage of  
evil character, who is in league with  
a tribe of Indians, who have been  
accused of doing his deeds until he is  
apprehended and punished.

The play is entirely different from  
any produced by Mr. Walters' com-  
pany, but they will try and please their  
auditors by producing a variety of  
plays of different styles.

The above play will be continued  
Thursday and Friday nights, and on  
Saturday night an entire new program  
will be presented.

Seats are now on sale at the Honolu-  
lu Drug Co., the prices to remain as  
usual.

### At the Chief Justice's

There will be an observance here of  
Washington's birthday by the local  
chapter of the Sons and Daughters of  
the American Revolution. The gather-  
ing will be at the home of Chief Justice  
Judd, Nuuanu Avenue, and the date will be  
Tuesday evening, Feb. 21, the hour 7:30 p.m. The usual hos-  
pitalities of the Judd home will be ex-  
tended and there will be as a feature  
an address by Capt. T. Wallin Morgan-  
Draper, commanding the Denver Com-  
pany of the volunteer Engineers now  
at garrison near Iolani.

### Sleeper Robbed.

Yesterday David Kaapa brought a  
Chinese to the police station against  
whom he placed a charge of felony.  
It seems that the Chinaman had rob-  
bed his best friend of \$17 while the  
latter was sleeping. The case will come  
up today.
